## Complaints Policy

### 1. Complaints

The club takes complaints about conduct and behaviour very seriously and works in line with the LTA's processes and procedures to respond to concerns.

This policy tells you how to make a complaint at *Victoria Park*. This is the policy that we will follow if your complaint is about someone's conduct or behaviour. This could be because you think that someone has behaved in a way that is unsafe, unprofessional, discriminatory, offensive or intimidating. It could also be because someone has broken important rules or policies.

#### Values and principles

We base our complaints policy on the following values and principles which are in line with the club's Code of Conduct –

*You have the right to complain: we take complaints seriously. You should not be harassed, bullied or put at a disadvantage because of making a complaint.*

- Equality: you should receive a proper response to your complaint, regardless of your age, gender, disability, race, religion, nationality, social status, sexual orientation or political persuasion.
- Fairness: we believe that complaints should be dealt with fairly and openly. Unless it would put other people at risk, those affected by a complaint should have a chance to contribute and respond to any investigation.
- Safety and welfare take priority: we will always give priority to concerns that affect safety and welfare. Issues affecting children will be treated very seriously.
- Confidentiality: we treat complaints as confidentially as possible. Sometimes we have to discuss complaints with other organisations. If we are worried about a risk to a person or to the public, we might need to pass on our concerns to the right authorities. If necessary, we will get advice from other organisations such as the Police, Social Services or the LTA.

#### How to make a complaint?

If you have a complaint, it is often best to start by having a conversation with someone from within the club. This can be arranged as a verbal conversation or in person. You can also write to the chair of the club ~~Frank Graney~~. It is easier for us to handle your complaint if you provide as much detail as possible. You can send an email to the chair or speak to him by phone. Contact details for members of the Tennis and General Committees are on the notice board in the clubhouse

#### What will we do to investigate?

- We will give an initial response to your complaint within 10 working days. If the matter is urgent, we will respond more quickly.
- The chair may ask someone else on the coaching team or committee who manages a specific area of the club's operations to look into the complaint.
- We will investigate your complaint fairly. This means that we will discuss the complaint with all of the relevant people involved. We will try to gather any information that may be relevant to handling your complaint.
- Sometimes we will ask to show copies of information from the investigation to other people to allow them to respond. This is because we believe in fairness and openness.

- We will not share information if we think that this will endanger someone's safety or welfare.
- We will take into consideration data protection and privacy in all dealings with any complaint and therefore we will not pass on any personal information unless we receive permission from the complainant to do so.
- Where the difference remains unresolved by the initial contact, further reference may be made to the relevant Committee

The Club will take reasonable steps to conduct a thorough investigation and will always give priority to someone's safety and well-being. It is important to recognise that whilst we aim to resolve all complaints, in some situations we may decide we cannot investigate or take further action (i.e. this might be due to lack of information or detail). The club reserves the right to end any investigation or refer it to the LTA if required. If this happens you will be given the reasons for the club's decision.

## How will I know what is happening?

You will be given the details of a person who will be your point of contact for the duration of the investigation. That person will make sure that you understand the process involved, and will help to answer any questions or concerns that you have.

You will be given an update on the progress of your complaint every two weeks. If there are delays in handling your complaint for any reason, we will keep you informed. If your complaint leads to formal disciplinary action against someone, we will usually inform you about the outcome.

We will not tell you the outcome if that person is a child, or if we believe that telling you would create a risk to other people. In this situation, we will still try to tell you about how you are affected by the action that we have taken.

## What are the possible outcomes or results of my complaint?

In many cases, we are able to resolve problems informally. This might include:

- A change in arrangements for particular activities
- An explanation or apology
- An agreement to communicate or act differently in future

If an informal resolution is not suitable, then a small committee of club officials will look at the information about the case. We will try to make sure that this committee does not contain anyone directly involved with your complaint. They might decide to take the following action:

- Suspend or exclude another member
- A decision to refer the case to another organisation such as the LTA, Police, or Social Services.
- Closure of your complaint without action

## Is there anyone else I can talk to?

Sometimes it can be useful to speak directly to someone outside the place of play if:

- You need urgent advice about someone's safety or welfare
- You don't want to discuss the issue with someone at the club
- Your complaint is very serious
- Your complaint involves other organisations
- You need specialist advice

The LTA is able to advice on a range of different complaints, and in some cases will handle certain complaint directly.

If you are worried about a child's welfare, you can contact the following people:

- The Child Protection Officer at the County LTA
- The National LTA Child Protection Department (24hrs) – <http://www.lta.org.uk/players-parents/Supporting-your-child/Safety-and-well-being-in-tennis/>

## **2. Feedback and suggestions**

We welcome all feedback and suggestions on the workings of the club. This can include your feedback on the club's services, such as membership, coaching, tournaments or facilities and also suggestions on how we can improve things and make additions to our services.

We urge as many members as possible to get involved in the club and one way is to provide feedback and suggestions. The club recommends that if you have some feedback or a suggestion that it is sent to the club secretary in the first instance or by emailing \_

### **What will happen with my feedback/suggestion?**

- Once we have your comment, the club secretary will aim to respond with a thank-you within 10 working days.
- The club secretary may then be able to respond to the feedback / suggestion quickly but may also have to discuss the comment with other club members or at committee level.
- If that is the case, then it may be up to 3-4 weeks before a complete response is received.
- The response will determine what will happen to the feedback / suggestion and the person who posed the suggestion will receive a full update on their comment.
- All feedback and suggestions will be centrally logged to ensure continuity.
- The person who made the initial feedback / suggestion will have an opportunity to respond if they don't feel the comment has been taken on board or dealt with satisfactorily.
